Our story: The Houston Chapter of the Society of Professional Journalists created a scholarship fund to honor Susanne Pagano, a long-time chapter member who died suddenly in April 2014. Over two decades, Susanne was a constant force in the chapter, serving in every major leadership role, including multiple stints as chapter president. No matter how busy with work or family obligations, she never turned down an SPJ project. Pagano was a 24/7 news hound who worked as a correspondent for Bloomberg BNA after a long career at business publisher Offshore Data Services.
